

CITY OF ANTIGO

Our "Wish List"

HAVE YOU EVER CONSIDERED LEAVING A GIFT THAT WOULD BE AROUND FOR *GENERATIONS TO COME*?

ESTATE PLANNING AND ENDOWMENT FUNDS COULD *NOT ONLY* PROVIDE SUBSTANTIAL TAX SAVINGS, BUT IT COULD CONTINUE TO IMPROVE THE ANTIGO PARKS FOR FUTURE GENERATIONS!

IF YOU WISH TO HONOR A SPECIAL INDIVIDUAL OR OCCASION, OR TO REMEMBER A LOVED ONE, YOU MIGHT CONSIDER A LIVING MEMORIAL TO YOUR COMMUNITY!

There is no donation that is too small, all gifts are appreciated! *YOUR GIFT IS TAX DEDUCTIBLE.*

You can donate the entire amount needed for a project, or you can donate a smaller amount and a number of donations will be accumulated until the purchase price for the item you specify is reached. For instance, a \$500 or \$1000 donation won't restore the Band Stand, but the accumulation of several gifts will. There is no donation that is too small, all gifts are appreciated.

- *Develop Education Forest & Trails at Kretz Wildlife Park

***Community Built Playground**

This playground will be funded by donations and will be built by community volunteers in the spring of 2008. Everyone can own a little piece of equipment, your name will be displayed permanently somewhere in the play area. Check the Community Built Playground link on our website for a list of components you can underwrite.

If a "general" donation is made, the Parks, Recreation & Cemetery Commission will be responsible for dispersing the funds as needed. If you have a specific project that you would like to donate to that is not listed, please contact us and we would be happy to work with you!
